

JOŽE PLEČNIK

Jože Plečnik is the most famous Slovenian architect who worked in Vienna, Prague, and Ljubljana from the late 19th century and all the way until the 1950s. He had a major impact on the modern architecture of Ljubljana and Slovenia. He designed Slovene National and University Library, Ljubljana Central Market buildings, the Ljubljana cemetery, parks, plazas and more.

LJUBLJANA CASTLE

Ljubljana Castle is a castle complex standing on Castle Hill above downtown Ljubljana. It was probably constructed in the 11th century and rebuilt in the 12th century. It has a beautiful courtyard, outlook tower, rock hall, gallery and old prison. You can walk up to the castle or take a funicular railway. From the watchtower you can see whole city.
